NEW YORK WINS THIRD GAME

Defeated Boston Again Tying With Chicago, and Game Today Will Decide.

New York, Oct. 7.—In the final game of the Boston series and the last of the regular schedule, the New York team this afternoon averted the possibility of a triple tie of three games to determine the leaders which in case of defeat today and victory over Chicago tomorrow would have necessitated a specially arranged series to determine the pennant winner and would have held almost endless possibilities.

The first inning with the Boston team today gave the New York followers a chill, but the home team soon got into form and from then on it was mostly practice in preparation for tomorrow. The feature of the game was McCormick's phenomenal one hand catch of a long fly which he held by reaching far out over the bleacher fence.

The score:
Boston.....200 000 000—2 8 1
New York.....012 400 000—7 13 0
Batteries Flaherty, Mattern, Chapell and Bowerman and Graham, Amos and Bresnahan and Needham.

WAGNER LEADS THE LEAGUE

New York, Oct. 7.—Honus Wagner, the "Flying Dutchman" of the Pittsburgh club, has carried off the batting honors again in the National League this year. This is the third year in succession that Honus has led the major league in hitting. He took part in 148 games and clouted the ball so hard that he secured a percentage of .353.

Mike Donlin, captain of the Giants, who tried hard to supplant Wagner as the star swatter of the league, finished second, his percentage at present being .327, although he has one more game in which to increase his average. "Kitty" Bransfield, the first baseman of the Philadelphia club, is third on the list, with a percentage of .309. Ira Thomas, the utility catcher of the Detroit team, leads the American League in hitting at present, with a percentage of .327. "Ty" Cobb, of the same club, is second, with .326. Hec Cram is still leading the Highlanders with the stick, his percentage being .294. Willie Keeler is second, with .267. The Brooklyn players have done poorly this year in hitting. Hummel leading Donovan's crowd with the small percentage of .244. Burch is second, with .236, while McMillan is third with .229.

SKAT GAMES IN NEWARK

Special to The Journal.
Newark, N. J., Oct. 7.—Devotes of skat, the national card game of the Germans, are gathering today for a three-day tournament under the auspices of the New York and New Jersey Skat League. Cities in New Jersey, New York, Pennsylvania, Maryland and other states are represented. Hundreds of dollars in money prizes will be distributed.

CINCINNATI TO PLAY IN TAMPA

The Tampa Tribune says: Manager D. M. Woodward, of the Tampa baseball team, received a letter from Secretary Frank Bancroft, of the Cincinnati baseball team, of the National League, yesterday accepting his proposition for two games of ball with the local team here on October 29 and 30. The original proposition of Secretary Bancroft was for games on Saturday and Sunday, but Manager Woodward informed him that there is a state law against Sunday baseball in Florida, and that the only dates he could arrange are October 29 and 30. Secretary Bancroft wrote that he will be able to arrive in Tampa for these games.

With Meyer's Shoes on his feet, school has no terrors. The ample, 5-toed roominess of MEYER SHOES lets his feet grow as they should—he forgets that he has feet. Tight, wrong-shaped shoes stop the circulation, prevent freedom of movement, thus making youthful minds dull and joyless. Many a pupil only needs a change to Meyer Shoes. MAX BRENTON COMING AGAIN

Havelock, Ia., Oct. 7, 1908.
Sporting Editor Journal, Pensacola, Fla.

Dear Sir: As I am contemplating another trip south and as I expect to make Pensacola my headquarters again on this trip, while in Florida, I drop you these few lines in the form of a challenge to any and all lightweight wrestlers.

You remember I told you last summer that I had won from the American champion. Well, shortly after my return north I repeated the trick, and now am the undisputed lightweight champion of America, and I am more than willing to give any man, who can make 133 pounds, a chance at the title.

I hope some local man will see fit to get in condition to meet me on the mat as soon as I arrive. My wife and I will start south about the first of November. With kind regards to yourself and my many Pensacola friends, I remain, Truly yours,

MAX BRENTON,
Champion Lightweight Wrestler of America.

MANY NEGROES REGISTER FOR THE ELECTION

Office of Registration Officer Has Been Crowded For Many Days.

REPUBLICANS WILL PROBABLY POLL A HEAVY VOTE, PROVIDED THE NEGROES GO TO THE POLLS—REGISTRATION BOOKS CLOSE SATURDAY.

If the republicans of Escambia county do not poll the largest vote they have polled in this county in many years in the general election next month, it will be because the many negroes who have been registered do not go to the polls to vote, or else do not vote after they get a ballot.

Since the registration books were opened many negroes have called and registered, and during the past ten days the office of Registration Officer Goss has been crowded with them almost every hour of the day. As a result hundreds have registered, and if they pay their poll taxes they will be qualified to vote in the coming general election. Many of them have already paid their poll taxes, and it is expected that fully double the number heretofore qualified will be ready to vote on November 3.

The registration books in the county precincts have been closed, and those in the city are to close Saturday.

AMUSEMENTS

"Salome" at the Opera House.
The largest audience of the present engagement of the Payton Sisters was drawn by that much talked about and ranted-over biblical drama of which much, so the advance men advertise it, has been blue-pencilled. Good! The blue penciling, however, should be in the nature of a boast of a few loud spoken members that always manage to make up a portion of a large audience.

The Payton company in last night's production, surpassed all previous efforts, and the work of J. Rufus Hill, as Herod, Beulah Gynne as the wife, was of a high order of dramatic merit.

Salome herself was at her best in the last act, and the dance of the seven veils, while along the lines intended, was nevertheless a truly meritorious piece of work. Albert Russell, as John the Baptist, was in excellent voice and his carriage, make-up and general work left nothing to be wished.

A return engagement announcement is welcomed.

At the Star.
The Star theatre is being well patronized this week. It shows nothing but the latest life motion pictures with music and effects and illustrated songs. Little Miss Ruby Wilkerson is the hit of the afternoon in the illustrated songs and Mr. Fred Evans at night.

On Saturday afternoon Miss Ruby will give a little performance of singing and dancing from 2 p. m. until 5 p. m., especially for the ladies and children. Life motion pictures will also be shown.

A Box of Monkeys.
A romantic two-act farce will be presented next Wednesday, the 14th at the Star theatre. This clever little play which teems with spirit and fun, will be presented by local talent under the direction of Miss Olga White, of the White School of Expression and Dramatic art.

There will be a performance in the afternoon or the benefit of the women and children who may not be able to get out after dark, and several during the evening.

CALHOUN & BLOUNT AT THE BIJOU

An excellent bill is crowding that comfortable, cozy Bijou Theatre this week. Chas. LaSalle's success and popularity is ever increasing and his new song, with beautiful pictures, "Sunshine," is a hit in every sense of the word.

Billy Browning, in monologue and songs, opens the program in good vaudeville style.

Calhoun and Blount, with their running fire comment and artistic clog and piano stunt, are as good as have been seen here this season. Some excellent moving pictures close the bill, which should make this week's attendance a record-breaker.
